

Proctoring Policy

Proctoring is available for students of all ages. Students should contact the library to discuss the conditions for proctoring and the arrangements for taking an exam. The library may not be able to meet the proctoring requirements for all institutions. It is the student's responsibility to verify that the proctoring conditions provided by the library meet all the requirements of the institution administering the exam. By scheduling a proctoring appointment, the student gives consent to the library to correspond with the institution which may include the exchange of personal information including proctoring pins and use of library resources.
